

The Matryoshka Doll. With love from Russia!

The Matryoshka doll is a symbol of Russian folk art. This is a wooden doll with 10 or even more little ones inside. It's not only such a beautiful souvenir! Your child can fall in love with the Matryoshka and it will help him to learn the world.

Production

The Russian doll is made of Russian birch or bass wood. Thanks to our skillful workers of a turning shop, the Matryoshka doll is appearing.

However, it's necessary to paint the doll and it will become as beautiful as we have seen on pictures. Then our craftsmen begin working. They paint every doll by hand only.

Production

The Matryoshka doll is really lovely and it can be different. You can see unprecedented colors and patterns,

favorite heroes from literature, fairy tales and much more

Everyone can find a doll that will make him happy!

Now we are producing more than 100 items. We would like to tell the world about a doll with mysterious Russian core.

Now you can see some of our Matryoshka dolls. We can provide you with a complete catalog at your request.
