

Business opportunities to Russia & CIS countries

February 28, 2007

1. The summary of MHI products

MHI is said to have approximately seven hundreds (700) of products, which are at work in an infinite range of settings.

Shipbuilding & Ocean

General Machinery & Special Vehicles

Power Systems

Air conditioning & Refrigeration Systems

Nuclear Energy Systems

Printing Machinery

Machinery & Steel Structures

Machine Tools

Aerospace

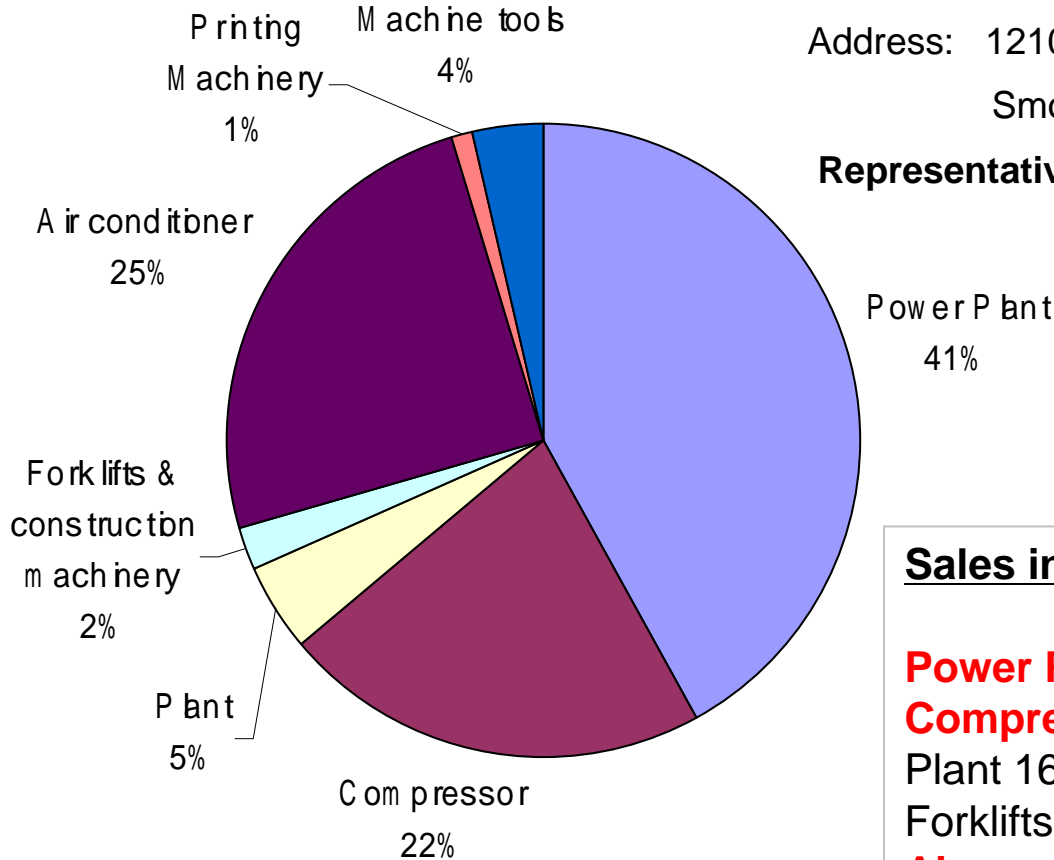

2. Operation in Russia & CIS countries

Sales Representative in Russia

Address: 121099 Moscow Smolenskaya Square 3

Smolensky Passage, 10FL. Russian Federation

Representative : **Mr. Jun Ito**

Sales in Russia between 00 and 05

Power Plant 144 mil \$

Compressor 75 mil \$

Plant 16 mil \$

Forklifts & Construction machinery 7 mil \$

Air conditioner 86 mil \$

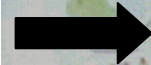

Printing Machinery 3 mil \$

Machine Tools 13 mil \$

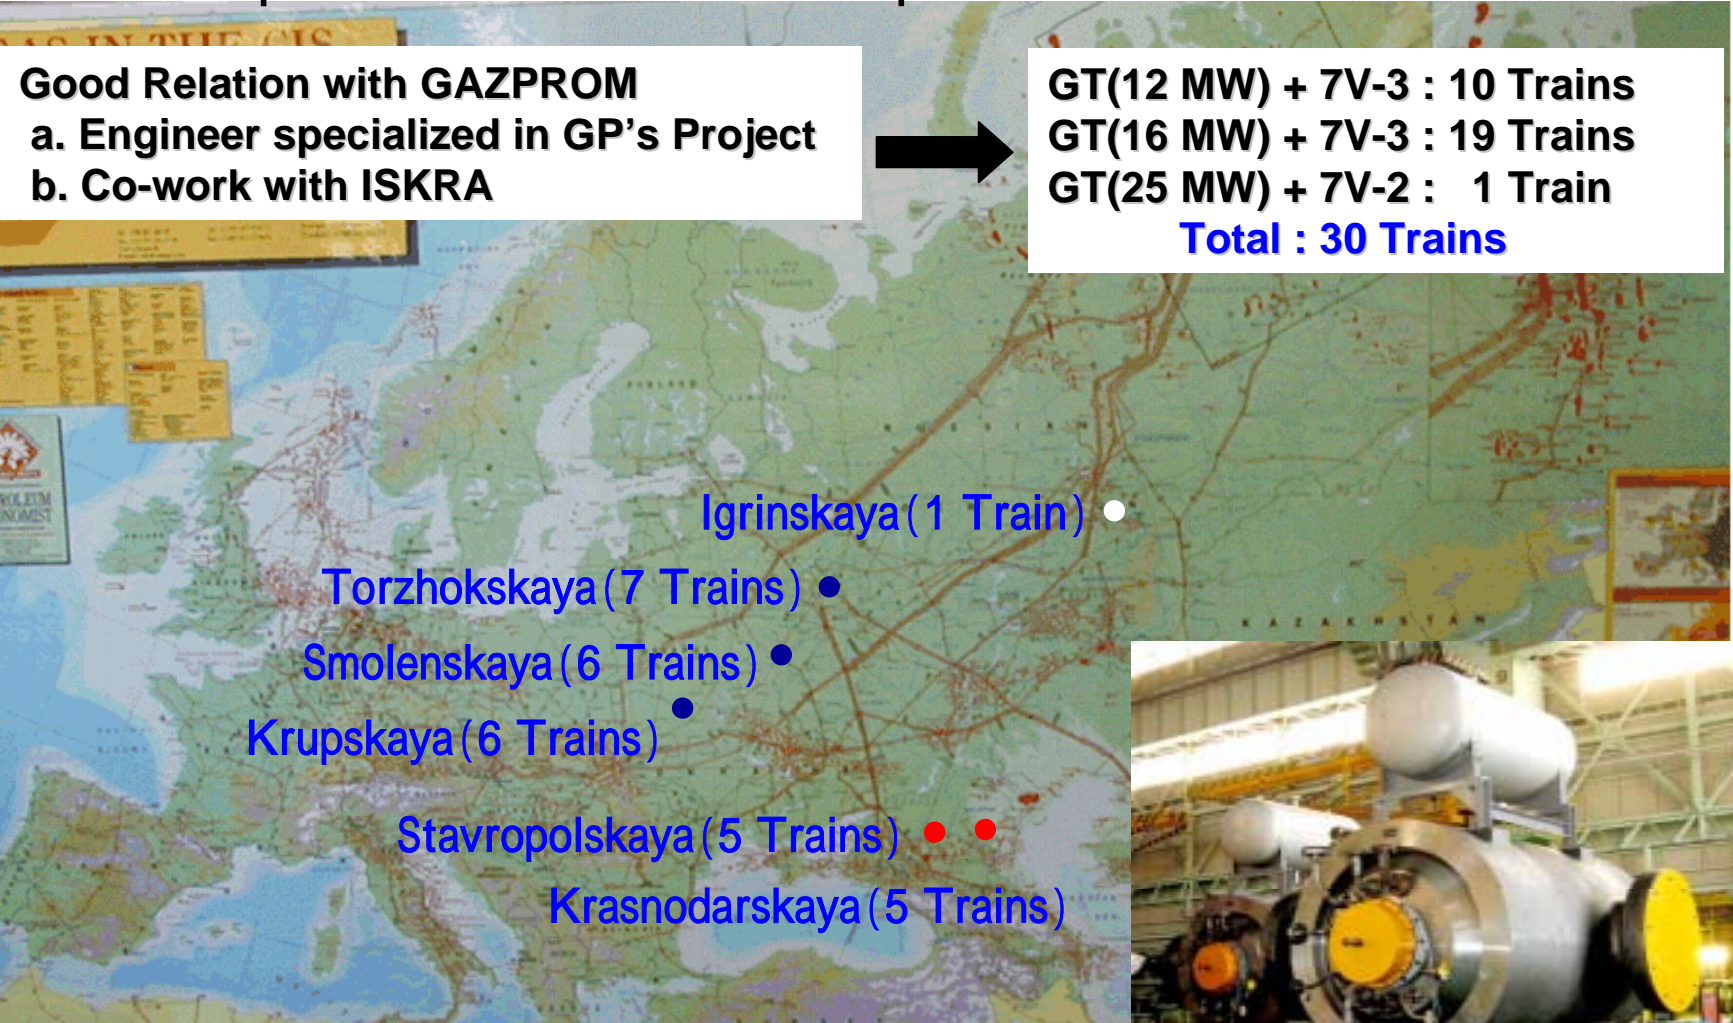

3 . Experience in Russian Pipeline

Good Relation with GAZPROM

- a. Engineer specialized in GP's Project
- b. Co-work with ISKRA

GT(12 MW) + 7V-3 : 10 Trains
 GT(16 MW) + 7V-3 : 19 Trains
 GT(25 MW) + 7V-2 : 1 Train
Total : 30 Trains

● Yamal Europe Project ● Blue Stream Project

4. Best practice in CIS countries on 2006

Received order from Industrial Union of Donbass, Ukraine

1.Site: Alchrvsk Iron and Steel Works

2.Plant: Gas fired Turbine-Combined Cycle (GTCC)
power generation units

3.Total Output: 300MW

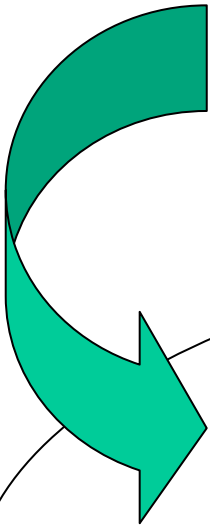

4.Fuel: Blast Furnace Gas (BFG) from Iron and Steel Works

5.Commercial Operation Date: September, 2009

5 . BFG Firing GTCC Advantage

Don't waste BFG!

MHI Can help get maximum out of the BFG !

- 
- BFG is utilizable as GT fuel
 - MHI's original technology
 - High efficiency power generation in GT CC
 - Various GT models for a wide power range
 - Long operating experience with excellent performance and high reliability

Environmentally friendly system

6 . General Concern for Overseas Operation

- Legal Systems
 - Cleared Tax and Custom Regulations
 - Quick Governmental Approval Procedure
 - Fair Court System

- Enhanced Economic Development
 - Domestic Market to be developed

- Stabilization of the financial system
 - Banking sector

- Incentive for Foreign Investors
