# EURASIAN ORTHOPEDIC FORUM

Eurasia's largest event in orthopedics, traumatology and healthcare economics. The Forum will be held for the second time in Moscow, Expocenter, on 28-29 June 2019 and will bring together more than 5,000 medical experts from 80 countries. The EOF is the only large-scale event that has a focus on a multidisciplinary approach. The Forum covers all the aspects of orthopedic traumatology, including pharmacotherapy, radiology, anesthesiology, organizational and legal issues related to doctors' protection. The wide representation of various national schools at the EOF will enable the participants to learn from the experience of colleagues from Europe and Singapore, the USA and South Korea, all of them interacting on one platform.
