Sales Office in Irkutsk

JSC «Enerprom-Mikuni» is an official Dealer on the territory of Russian Federation, CIS and Mongolia:

Founded in: 1939

Products:

- Compression Tools and Heads
- Hydraulic Cutters
- Cable Cutters
- Punchers
- Pump Stations

Application:

Construction, reconstruction of power transmission lines and electric power substations

Manufacture:

Factory in Matsumoto city

**Matsumoto
factory**

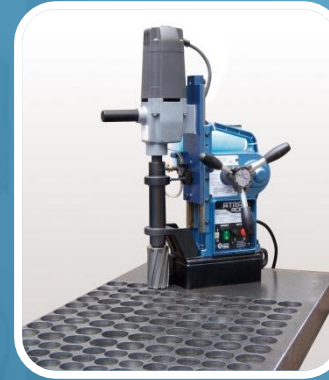

Products:

- Magnetic Base Drilling Machines
- Jet-Broach Cutters
- Needle Scaler Jet Chisels
- Beveling and Chamfering Tools
- Punchers
- Scalers
- Spring Balancers

Application:

- Steelworks production
- Repair and maintenance of special machines
- Bridge construction
- Shipbuilding

Manufacture:

MEDOTECH factory
(Japan)

NITTO KOHKI CO., LTD.

delvo

Products:

DELVO Screwdrivers (the maker is Nitto Kohki) – high-technology tools for assembling lines

Manufacture:

- Shirakawa factory of Nitto Kohki

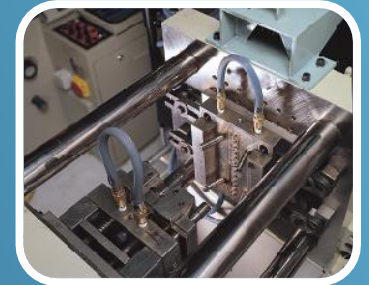

NITTO KOHKI CO., LTD.

CUPLA®

Quick Connect Couplings for:

- Pneumatic Equipment
- Gas Welding
- Hydraulic Equipment
- Press Mold Cooling
- Camlock
- Gases and Liquids
- Chemical Environments
- Water
- Vacuum

Manufacture:

TOCHIGI factory of
NITTO KOHKI

NITTO KOHKI CO., LTD.

Products:

- Variable Displacement Piston Pumps
- Fixed Displacement Vane Pumps
- Stop, Check, Control, Directional and Proportional Valves

Application:

Hydraulic systems of molding machines (injection molding machines, extrusion machines, blowing machines)

Metallurgical production

Production of forge-and-pressing and metal-processing equipment

Manufacture:

Sagami factory

Fukuroda factory

Sagami & Fukuroda

SUGINO

Products:

- High Pressure Pump
- High Pressure Guns
- Nozzles
- Washing Machines

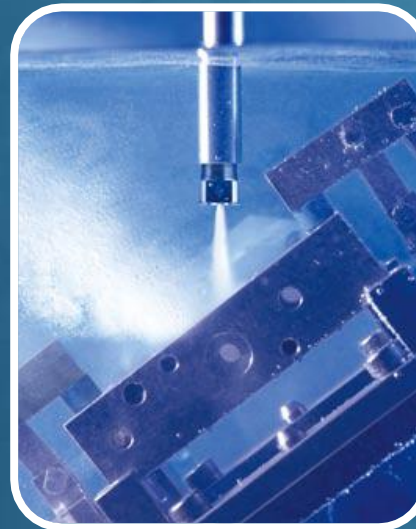

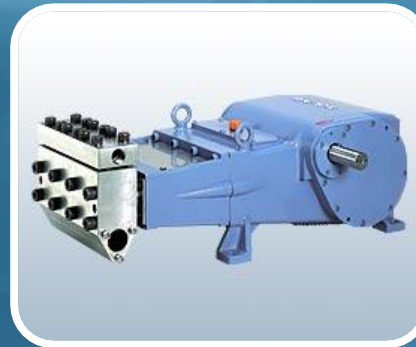

Application:

- Washing, cleaning, deburring of works: cylinder heads, cylinder blocks, crankshafts, stator casing, transmission parts etc.

Manufacture:

Hayatsuki (Toyama)
& Kakegawa
(Hamamatsu)
factories

OSAKA JACK CO., LTD.

- Bridge building
- Construction
- Shipbuilding
- Metallurgy

YOKOHAMA

- Hydraulic systems
- Building machinery
- Other different equipment
